Dear Mr. Morisy:

This is in response to your attached Freedom of Information Act (FOIA) request received in this office on October 25, 2013, and assigned FOIA case number 14-F-0068.

As you may not be aware, there is no central FOIA processing point for the entire Federal Government, or for the Department of Defense (DoD). Within DoD, each of the Military Services and DoD Agencies process requests for records relating to their own organization. This office, for example, only processes requests for records related to the Office of Secretary of Defense and the Joint Staff (OSD/JS). We are unable to determine a connection between the records you seek and the OSD/JS. Thus, we are unable to process your request.

The information you are seeking would likely be maintained by the United States Central Command (USCENTCOM), which maintains its own FOIA office. If you have not already done so, you may request these records, if they exist, directly from that office. Be sure to include a time frame for the records you are interested in. Contact information for the USCENTCOM FOIA office is located at:

Subject: Freedom of Information Request: Gen. David Petraeus Ethics Opinions

October 25, 2013  
Department of Defense, Office of the Secretary of Defense  
OSD/JS FOIA Requester Service Center  
Office of Freedom of Information  
1155 Defense Pentagon  
Washington, DC 20301-1155

To Whom It May Concern:

This is a request under the Freedom of Information Act. I hereby request the following records:

A copy of any ethics opinions requested by Gen. David Petraeus from this agency's ethics board, or any other group which routinely reviews staff requests for conflicts of interest or ethics reviews.

I believe that the public interest outweighs any privacy interests in this case, given Gen. Petraeus level of influence in both the American military and clandestine services and the immense public interest in both these subjects.

I also request that, if appropriate, fees be waived as I believe this request is in the public interest. The requested documents will be made available to the general public free of charge as part of the public information service at MuckRock.com, processed by a representative of the news media/press and is made in the process of news gathering and not for commercial usage.

In the event that fees cannot be waived, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 20 business days, as the statute requires.

Sincerely,

Michael Morisy
